

National Youth Environmental Summit

The Summit

Planned and led by student environmental activists.

Benefits include:

- ENVIRONMENTAL LEADERSHIP
peer to peer youth presentations
- CITIZEN SCIENCE PROJECTS
Gain access and training on innovative resources and tools
- NETWORKING
Exchange ideas and learn from youth and teacher champions, as well as professional environmental leaders
- PROJECT MANAGEMENT
Learn how to develop an effective and meaningful project-based learning experience

PROMOTE ENVIRONMENTAL ACTION AND COMMUNITY EMPOWERMENT BY ENGAGING YOUTH

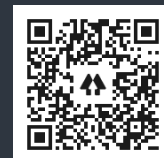

Spread the word!

Open to all Students!

Youth that have engaged in environmental solutions at a local, state, national or global level will be showcased.

We are looking for environmental game changers to submit their projects to be part of a virtual youth summit.

To learn more, scan the QR code and encourage students to sign up to present [HERE](#)

To be added to the distribution list email

youthenvironmentalsummit@gmail.com
